

TITAN SERIES

BIG LEAGUE **LIFT**

- ▶ Standard 4.3L V6 LP Engine
- ▶ Engine Protection System
- ▶ Load-Sensing Hydraulic System
- ▶ 3-Speed Dana 12000 Transmission
- ▶ 18,000 - 22,000 lb. Capacity
- ▶ Load Center of 24" or 36"

▶ F180-F220

HOIST TITAN SERIES ADVANTAGES

- ▶ **HEAVY DUTY PLANETARY DRIVE AXLE**
for maximum durability
-

- ▶ **HIGH VISIBILITY**
provided to operators by two-stage wide-view mast
-

- ▶ **LOAD SENSING HYDRAULIC SYSTEM**
delivers the power you depend on when you need it
-

- ▶ **DIGITAL INSTRUMENT DISPLAY**
gives fuel, engine, transmission, battery, service, and temperature information
-

- ▶ **U.S. PARTS AND COMPONENTS SOURCING**
means faster service and lower lead times
-

- ▶ **STANDARD HOOD-MOUNTED HYDRAULIC CONTROLS**
for operator convenience
-

- ▶ **DANA 12000 TRANSMISSION**
with 3 forward and 3 reverse speeds
-

- ▶ **ENGINE MANAGEMENT SYSTEM**
regulates performance and protects engine
-

- ▶ **EASY SERVICE ACCESS**
thanks to hydraulic multi-gauge and easy-access panels and filters
-

18000–22000^{LB.}

CAPACITY

LIFT MORE INDOORS

HOIST TITAN SERIES FORKLIFTS

High-capacity, indoor challenges have met their match. Think automotive and forging. Huge paper rolls. Steel and raw materials. All demand the reliable power that Hoist provides. With a V6 engine, rugged design, and load capacities few in the industry can match, this beast can handle anything you throw at it.

BUILT HEAVY DUTY

A rigid welded chassis with heavy steel cross supports. Impact resistant side thrusters. The power of a V6 engine. A Dana transmission with three forward and reverse speeds. And the engine diagnostics and support systems to back all that up. This indoor workhorse is built to last from the stable overhead guard all the way to the durable two-coat rust-inhibiting paint.

ENGINEERED FOR OPERATORS

Advanced ergonomics keep operators comfortable while they work. Easily viewed gauges and auxiliary controls make monitoring performance intuitive and convenient. Add in a standard wide-view mast that ensures a wide field of operator vision, and you have a comfortably powerful machine

POWER AT YOUR FINGERTIPS

That strength comes with plenty of support. An engine management system protects your forklift and keeps delivering the same high-performance work you expect. The digital instrument display keeps you aware of operating status. Hood-mounted controls provide convenient, comfortable control of all functions for operators. And the high-visibility design can help keep operators aware of their surroundings.

COMPACT POWERHOUSE

Prepare to have your expectations blown away. Power, durability, and all the high standards of Hoist forklifts. Add compact maneuverability for indoor operations, and this reliable machine will stand up to any challenges you throw at it. Strength you can depend on with Hoist.

AN INVESTMENT THAT PAYS YOU BACK

Adding a new forklift to your fleet should be an investment that lasts. Hoist demands the best for its customers. It's a forklift with better components and meticulously planned integrated systems that work together to deliver intuitive, dependable performance day after day. Hoist forklifts don't often require service. But when they do, it's fast and easy — by design. And superior Hoist quality means more productivity over the lifecycle of your forklift, along with lower repair costs. Higher residual value is another bonus.

SAFETY COMES STANDARD

At Hoist we know people are your greatest asset. That's why the Titan Series includes all the necessary features to help keep your people safe. A wide-view mast. A high operator field of vision. An operator presence sensing system. All come together to give the safe operation you've come to expect from Hoist.
